

Clean-Write Stationery

Stationery Products

Clean-Write offers everything you need for a cleanroom environment. The documentation products in our Unitek division are impregnated and coated with a polymer formula that obstructs particles from generating, as well as, preventing chemical exportation. We offer a variety of products that include binder tab dividers, pens, post-it notes™, and paper all specially produced for the cleanroom environment.

Clean-Write Pens are made with very low sodium to prevent sodium contamination.

Clean-Write Paper is made from the highest quality cleanroom compatible materials available.

Clean-Write Folders are made from 110lb cleanroom paper stock and have 1/5" tab cut.

Clean-Write Post It Notes™ are made from the highest quality cleanroom compatible materials available.

Applications: Excellent for cleanroom, micro-electronic, laboratory, and industrial maintenance.

Features & Benefits

Pens

- Prevents sodium contamination
- Double packaged in a certified class 100+environment.
